HENRY ESSON YOUNG,
Provincial Secretary.

DOWNING STREET,
24th June, 1915.

CANADA.
No. 581.
SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

A. BONAR LAW.

The Governor-General,

His Royal Highness

The Duke of Connaught and of Strathearn, K.G.,
etc., etc.

BRITISH PROPERTY IN ENEMY COUNTRIES.**HOW TO RECORD CLAIMS.**

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that

purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public *securities* of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

NOTICE.

REPORT of the Honourable the Minister of Lands with respect to the cutting of aeroplane spruce, approved by His Honour the Administrator in Council, 18th January, 1918.

That the immediate supply of large quantities of aeroplane spruce is vital to the success of the war in the air.

That the Allies depend upon British Columbia, Washington, and Oregon to furnish this material.

That a most serious delay has already occurred in securing it, and that unless prevented further delays will continue to hinder immediate production.

That it would appear that one of the main causes of delay in the production of spruce is the time lost in negotiating for the right to cut standing timber.

That in this national emergency it is imperative that the Province of British Columbia shall contribute its full quota to the spruce production of the Pacific Coast.

That under these circumstances the Provincial Government finds itself obliged to take immediate and vigorous action to remedy the existing state of affairs, and for the reasons aforesaid to recommend:—

That the Minister of Lands be authorized and empowered—

(a.) To forthwith arrange with the Imperial Munitions Board for the immediate logging of aeroplane spruce upon all areas of vacant Crown land that may be judged suitable for the purpose by the Department of Lands, as well as upon coal leases, coal licences, and mineral claims to which Crown grant or surface rights has not been issued:

(b.) To call upon all holders of Crown timber held under licence or lease which is judged by the Lands Department to be suitable for the purpose to proceed immediately with the logging of aeroplane spruce, and in default of compliance the Minister shall instruct the Department of Lands to arrange for such logging in co-operation with the Imperial Munitions Board:

(c.) To arrange with the Imperial Munitions Board on equitable compensation to be paid for timber so cut from any licence or lease.

ATTORNEY-GENERAL.

BIG HORNED AND SNOWY OWL BOUNTY REGULATIONS.

NOTICE is hereby given that from the 18th day of January, 1918, a bounty of one dollar (\$1) will be paid for the destruction of each Big Horned and Snowy Owl destroyed within the electoral districts of Comox, Alberni, Newcastle, Nanaimo, Cowichan, Esquimalt, Saanich, Islands, Richmond, North and South Vancouver, Dewdney, Delta, and Chilliwack.

Each person claiming the said bounty shall produce the head or carcase of such owl to any Government Agent, Provincial Constable, or Deputy Game Warden, and shall satisfy such Government Agent, Provincial Constable, or Deputy Game Warden that same was killed within one of the said electoral districts. The said head or carcase of such owl shall be thereupon immediately destroyed by such Government Agent, Provincial Constable, or Deputy Game Warden.

Each person producing such head or carcase of said owl shall be entitled to receive a certificate from such Government Agent, Provincial Constable, or Deputy Game Warden and the amount set out in the said certificate will be paid to the holder thereof upon presentation by him to the nearest Government Agent.

J. W. DEB. FARRIS,
Attorney-General.

Attorney-General's Office,

AT THE EXECUTIVE COUNCIL CHAMBER.

VICTORIA, 7th February, 1917.

PRESENT:

THE HONOURABLE THE ADMINISTRATOR IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, the Honourable the Administrator of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, Turkey, or Bulgaria, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, Turkish, or Bulgarian subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subject, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who
